

Title of the Paper

(Please do not include here any identification, abstract or key-words. These elements will be inserted directly at the webplatform for paper submission)

Thematic Block Title

Normal Text Trebuchet MS 10

Subtitle

Normal Text Trebuchet MS 10

Size

The paper will have a maximum length of 9 pages (including images and tables) and a maximum size of 5 Mb in "pdf". The paper will be inserted by registered authors in <http://iceubi2015.ubi.pt/> and sent in "pdf" and "doc" to the following e-mail address: iceubi15@ubi.pt

Format

Text format should be as it is shown in the communication template above for "Title of the paper", "authors", "Abstract", "Thematic block title", "Subtitle" and "Normal text". The margins of the document or the styles shown won't be changed.

Illustrations (figures, tables ...)

Tables and figures should be numbered.

Table 1-State of conservation of units

	Totals	Habitual	Seasonal	Vacant
Very	114.183	56.774	10.830	46.579
Major	211.320	129.952	27.662	53.706
Médium	470.117	322.591	71.129	76.397
Minor	1.132.792	827.704	190.317	114.771
No need	3.091.013	2.214.208	624.481	252.324
Totals	5.019.425	3.551.229	924.419	543.777

The photographs must have a minimum resolution of 300 pixel per inch (dpi), in the size that the author intends to appear published.

Figure 1 - Very nice picture

References

If you wish to include literature references should be included at the end of the paper, numbered consecutively [1]. In each event the data will be recorded as follows:
